WHO WE ARE

Sunderman Manufacturing is a family owned company that has produced innovative products for the Steel Industry for more than 69 years. We are excited to announce our newest product line of Steel Tubing and the addition of a state of the art Tube Mill at our facility! This allows Sunderman Manufacturing the ability to supply high quality tube to the upper plains at an exceptionally competitive price.

OUR FOCUS

- Quality Tube
- Small to mid-size manufacturers
- Stock lengths or “cut to length” value added service for zero or minimum drop
- Receiving at our location, to save on freight costs

At Sunderman Manufacturing, we strive to provide you the highest quality product at a fair price. Our talented team is committed to your satisfaction and will meet your standards.

**We can do anything.
The impossible just takes
longer.**
